The toll rates were fixed for a period of 30 years from the 1st July 2006 to 30th June 2036 with an increase of 10% on existing toll rates every two years. Government permitted IT Expressway Ltd to collect toll in the Project road for the above period. However, actual toll collection was started with effect from 15-12-2008 at the rates fixed for the relevant period. This fact was also widely published in the print media.
